

## Mary Sullivan

Mary is a member of the Communications Committee and for two years served as volunteer coordinator before stepping down from that position recently.

She has interviewed and written about several parishioners who have received awards for serving the parish. This is, she says, a very satisfying task. She also edits the quarterly reports submitted by the ministries comprising the Pastoral Stewardship Council, and created the parish booklet that has been given to new parishioners for the past three years.

Mary has created many of the posters advertising parish events and highlighting the work done by specific volunteers. For the feast day of St. Thomas Aquinas a year ago, she composed a skit which was produced in the church. Until then, she never knew there were so many thespians at this site.

Most recently, Mary edited the annual report, and says this about the project. “Once again I am humbled and inspired by the efforts of so many people of the parish. Just to read in the annual report what the ministries, clergy and staff have accomplished over the year is heartwarming.”

For your service over the past few years, and for your latest project of producing the parish’s first annual report, I am pleased to present to you this stewardship award.
