## *THE PERFECT RELATIONSHIP*

**Speaker: Ed Brackenbury, M.A.**

Spend a relaxing weekend in a beautiful mountain setting with other singles. Gain a new perspective of a “perfect” relationship under the guidance of a relationship master. Part of Ed’s presentation will include how our perception of and relationship to God can color our relationships with people. Those relationships include: romantic partners, parents, children, other family members, friends and people in general. You will leave this retreat understanding how to more effectively relate to God and the important people in your life.

Ed is well known in our community for his wisdom and clarity in relationship matters. He presents in a warm, relational manner that promotes openness and encourages new understanding. His many years of experience as a marriage and family therapist, as well as an educator & public speaker, make him an exceptional leader for this retreat.
