Next Shoreline hike: Saturday, March 27, 9:00 am

Hike Report - Shoreline:
Well, it's the first day of Spring. We've already "sprung forward" last Sunday, so we're pretty much readjusted to Daylight Savings Time. Of course, those amateur astronomers among us call it "Darkness Squandering Time" because now we have to stay up an hour later to see the stars! But, we can sleep later and still see the Morning Star, so I guess it evens out.

The sky was very hazy this morning, but the sun was bright, so the entire sky glowed. It was hard to see the hills on the horizons, though, because the haze. Still the walk to the "benchmark" and back was pleasant and filled with conversation and camaraderie, as was coffee time back at the café. If you haven't enjoyed this time, you really should try to join us!

Coming up: Next Saturday is another Shoreline hike. See below for details.

If you would like to partake in the planning and pulling off of Age of Aquinas activities, we still have room for more volunteers. You can take on as much or as little a part as you want. If you're interested in finding out more about this important ministry, email Randy at *age-of-aquinas@paloaltocatholic.org* or call: 408.739.2881. Thank you!
