**Sr. Becky will speak on *"Transitions in Love and Life"*.**

Sister Becky has been a Dominican Sister of Mission San Jose for 27 years. She graduated from Santa Clara University with a Masters in Pastoral Ministry with an emphasis in Adult Spirituality. Her ministry includes singing and playing her guitar. She has 5 tapes and 2 CDs out and is currently working on a 3rd CD. She believes in a loving God who loves us equally and unconditionally and that is our wonderful faith journey as a people to understand and live one day! We are living in exciting, hopeful and evolutionary times and we are blessed to be alive and part of this great "transitioning" of our times.
