it just keeps happening!*

Get ready for the NEXT...

Age of Aquinas Star Party

Saturday, September 30, 2006, 6:30-10:00 pm

Bring your telescope (if you have one), binoculars, and a picnic dinner! While the sun sets and twilight deepens, we'll have our picnic and get our telescopes set up. *Dress warmly in layers.* Clear nights get chilly. **Meet at the Park'n'Ride at I-280 and Page Mill Rd in Los Altos.** We'll carpool to Foothill Park. Anyone with a telescope aboard gets in free and does not need to be a Palo Alto resident. Just tell them at the gate that you are an amateur astronomer participating in the public star party. We will be joining the Peninsula Astronomical Society (<http://www.foothill.fhda.edu/ast/pas.htm>) for this month's summer star party.
