AGE OF AQUINAS

a Bay Area group for Christian singles 40+

Long, long ago in a galaxy far, far away something happened and now it's happening again! Come look with us *this* Saturday night at the *next* ***Age of Aquinas Star Party!***

This Saturday, July 29, 2006, 6:00-11:00 pm: Age of Aquinas Star Party

Bring your telescope (if you have one), binoculars, and a picnic dinner. While the sun sets and twilight deepens, we'll have our picnic and get our telescopes set up. Dress warmly in layers. Clear nights can get chilly. Well, maybe not this week!

Location: Meet at the Park'n'Ride at I-280 and Page Mill Rd west of Palo Alto at 6pm. We'll carpool to Foothill Park. Anyone with a telescope aboard gets in free and does not need to be a Palo Alto resident. Just tell them at the gate that you are an amateur astronomer participating in the public star party. We will be joining the Peninsula Astronomical Society for this month's summer star party.

Admission: **FREE!!**
